# International Summer School

September  
**9 - 20**  
**2019**

## Biodiversity, Bioprospecting and Territories

Venue | Botanical Garden, *University of Padova*

*The Summer School's program will bridge the gap between different disciplines by offering a strong multidisciplinary environment. The program focuses on the most relevant aspects of food biodiversity and environment, in order to understand how they are related and how they affect human health.*

**Frontal lesson** in **University of Padova** (Botanical garden), **travel excursion** in Mountains (Paluzza, Carnia) with field exercitation, **excursion in lagoon** (Veneto Region) to observe local biodiversity.

### Participants

Maximum 30 advanced undergraduate and graduate students (5 places reserved for students from Nepal and other SAARC countries)

### Selection criteria

CV and motivational letter (less than 400 words)

### Deadline for application

**June 28th 2019** preregistration and fellowship application. **July 8th 2019** confirmation by fee payment. Send your CV and your motivational letter to [biodiversity.dsf@unipd.it](mailto:biodiversity.dsf@unipd.it)

### Fees

300€ (the University of Padova will cover fees for students from Nepal and other SAARC countries)

### Organizers

Stefano Dall'Acqua, Serena Varotto, Antonio Masi, Barbara Baldan, Massimo De Marchi

### Credits

The Summer School requires an overall didactic commitment corresponding to 6 CFU / ECTS (European Credit Transfer System)
